

THE HIGH CAPACITY EU COMPACT CASH DRAWER

HEAVYDUTY

SERIES 1517 EU Compact CASH DRAWER

The Series 1517 EU Compact is a heavy duty cash drawer designed to fit a common European footprint size.

Tested to perform beyond 4,000,000 operations.

Exceeding customer and industry expectations, the Series 1517 EU Compact is the ultimate heavy duty cash drawer. Industrial grade steel ball bearing slides ensure effortless performance and durability. A robust latch mechanism and a proven four-function lock assembly offer several levels of security. An optional night security feature is simply activated by removing the till to lock the drawer open.

ACCESSORIES

Till for Euro and Sterling Currency

Part number: VPK-15B-5-BX

4 note, 8 coin till is included standard. Other till options are available to suit a variety of currencies

Locking Till Cover

Part number: VPK-14B-6-BX

Optional till cover improves security as it hides the contents of till from sight

Under Counter Mounting Brackets

Part number: PK-27-D-BX

Optional kit provides a secure mounting system and frees up counter space

Counterweight Kits facilitate easy displacement of cash drawers for routine cleaning of food service areas.

Counterweight kits may be fitted to the S4000 1517 cash drawer to meet increasing demand for cash drawers to stand alone and be readily displaced to facilitate routine sanitizing of Quick Serve food service areas. The kit stabilizes the drawer when the weight of the POS equipment is not available to counterbalance the weight of the coin loads.

Part number: PK-801F-1517-BX

Regulatory Certifications: CE, RoHS/WEEE, GOST, TUV (Canada & USA)
