

# The Minota<sup>®</sup> Cash Drawer

## Light Weight, Secure, and Affordable

### A SOMA<sup>™</sup> Family Solution

The Minota<sup>®</sup> cash drawer is a reliable and affordable cash management solution ensuring up to a 750,000-cycle performance. Available in white or black, the thoughtful design of the Minota<sup>®</sup> cash drawer offers options to best fit your point-of-sale environment.

Minota<sup>®</sup> cash drawers are lightweight and high-performing; built with a molded base construction, a proven latch and roller wheel suspension system, and a choice between two inner drawers.

A **steel inner drawer (DL)** is a more robust and versatile option, allowing a removable till to accommodate shift changes. The DL model is tested beyond 750,000 cycles.

A **molded inner drawer (DH)** features a built-in till; the most light-weight and economical drawer combo. The DH model is tested beyond 500,000 cycles.

#### Light Molded Inner Drawer (DH)

A single-pieced molded till and Inner drawer combination featuring a removable coin section.

#### Sleek Design

Molded Base brings a new aesthetically pleasing look to the cash drawer.

#### Effortless Performance

Proven latch and roller wheel suspension system ensures long lasting performance.

#### Security Lock Functions

Three Function Lock (manual open, electrically open, and locked closed).

#### Tough Steel Inner Drawer

A steel drawer with a removable till will fortify your Minota solution; giving you 750,000 cycles and flexibility to fit a variety of international currencies.

Till choices to fit currencies around the world

Engineered Runner System

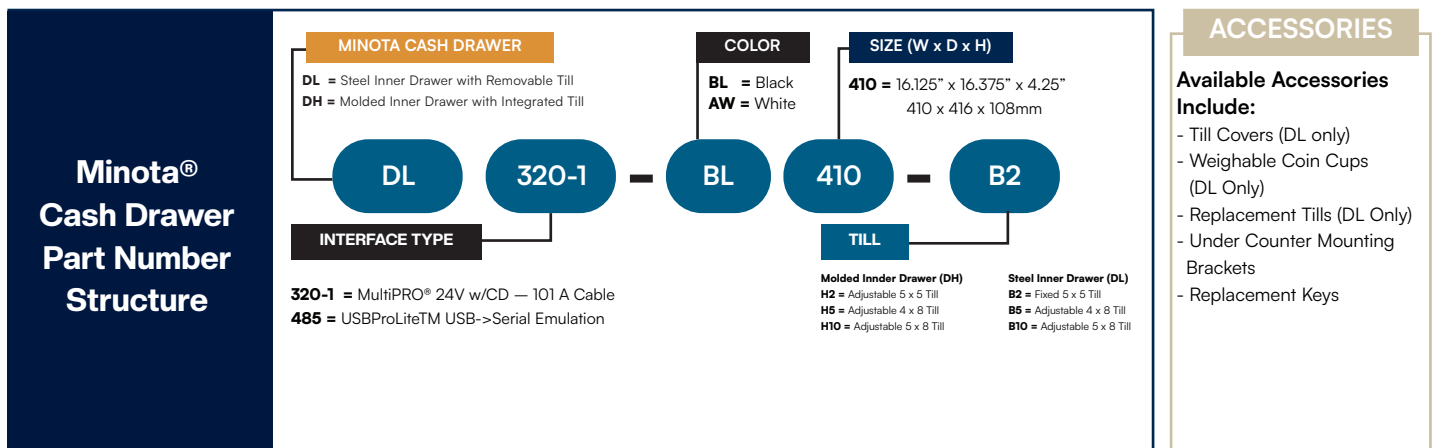

Robust Steel Front

Three Function Lock
