

E3960 Cash Cassette

High Capacity Cash Cassette

Standard Duty Solution

The E3960 Flip Lid Cash Cassette delivers uncompromising performance and quality focused on low cost of ownership, ease of use and speed through the checkout. It additionally combines a high capacity insert tray with extensive media storage under the insert. The cassette can accommodate 8 coins & 5 notes.

Mounting

The E3960 Cash Cassette is connected to a baseplate (including legacy baseplates for easy adoption) that is firmly secured to the checkout counter top. Five point mounting system limits connector damage prolonging the cassette's drawer life.

Currency Compatibility

The E3960 Cash Cassette offers high capacity note and coin storage and accepts currencies worldwide including Euro, Sterling and many others.

Speed and Efficiency

The E3960 Cash Cassette is routinely tested to ensure the lid opens consistently beyond 80°, providing full access to the drawer insert and allowing the cashier to service customers faster.

Durability

The robust ABS cassette is fitted with a solid moulded insert to resist even the toughest of retail environments. The E3960 plastic will not crack under usage permitting fewer replacements in circulation which saves on capital expenditures.

Reliability

This Cash Cassette is built using high quality plastics and features a release mechanism that has been tested beyond 1M operation cycles to ensure that it performs flawlessly for the life of the POS system.

Security

The E3960 Cash Cassette provides a status switch back to the PoS application and is fitted with a function lock.
