

# Custom + Bespoke All-In-One Product Guide

## Cash Drawer Solutions To Fit Every Environment

APG's Custom + Bespoke range delivers a cash drawer tailored to fit the exact needs of leading retailers worldwide. For over 40 years we have developed solutions to every type of cash handling problem encountered at the Point of Sale. From enhanced security options, to different insert configurations and specially adapted cash drawers to fit unique PoS designs, there is always a solution available to pick from to meet your requirements.

## Solutions to Meet Every Retailers' Requirements:

---

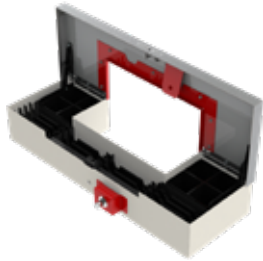

- A solution for any footprint to maximise the checkout area
- Colour match to PoS equipment, furniture or corporate branding
- Ergonomic solutions for employee use
- Wide range of plastic and metal inserts to enhance cash handling at the PoS and back office
- Mobile solutions including intelligent data collection
- Cable management, PoS mounting points and garages for easy installation
- Security features to protect both cash and cashier

## Examples of Bespoke Models:

---

Narrow options to maximise customer service areas

Flip lid fits around a barcode scanner

Large range of sizes to optimise the checkout area

Unique footprints to fit special cash handling needs

Integrated security note boxes to alleviate the need for PoS note safes

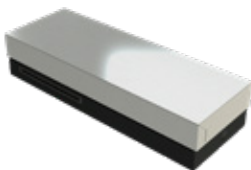

Baseplate options or quick release plate to ease maintenance

High capacity insert with large coin cups and additional media storage

All note options for dual or multiple currencies

Stainless steel option to match checkout pattern

Colour match to PoS checkout or corporate branding

Compact NANO footprint for tablet solutions

Cable management and PoS mounting options

Keypad access with time delay or alarm option

External hasp for enhanced security

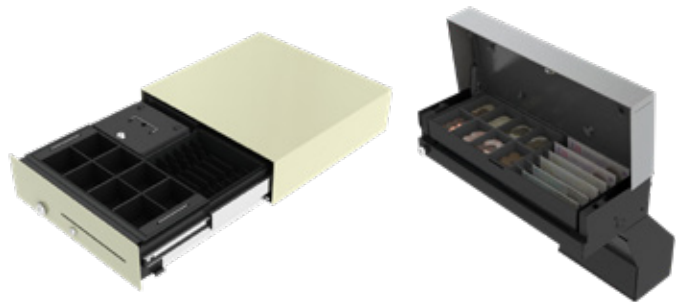

Anti prise drawer front for drawers left unattended

# Bespoke Security Solutions to Protect Cash at the PoS:

APG offers expertise in designing unique security features that are fundamental in securing cash during both open and closed retailing hours. The enhanced security options reduce the temptation for cash theft, increase security at the PoS and reduce cash loss for the retailer.

## Skimming Solutions

- High value notes automatically skimmed to a safe storage facility
- Internal or External note security cash box options
- Alleviates the need for Counter Cache (CC)
- No CC means faster customer throughput, less capital outlay and no ongoing CC maintenance
- One or two lock options for access to the storage box (supervisor / operator)

Internal Note Storage Box

External Note Storage Box

## Hasp Solutions

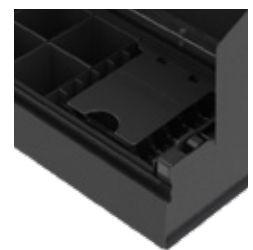

- Overt security - a visible deterrent
- Red colour as standard but the hasp can be painted to match corporate branding
- Hasps are an integral part of the drawer - they are not an aftermarket add-on
- Highly secure - designed to withstand a sustained attack of over 30 seconds

## Anti Prise and Anti Grab Solutions

- Hidden security
- Anti prise drawer fronts and bodies
- Enhanced security - designed to withstand a sustained attack of over 30 seconds
- Anti grab flaps to cover note sections - integral metal or plastic

Anti Prise Drawer

Anti Grab Drawer

High Security Lock

Keypad

## Security Access Solutions

- Keypad access and alarms
- High security locks that can not be forced or drilled open - over 500,000 key variations
- Key management for countries, regions or store level
- No lock option for all drawers
