

E3900 SERIES CASH CASSETTES

Durable, High Capacity Cash Cassettes

Standard Duty Solution

For more than 45 years, apg has been delivering innovative retail cash drawer solutions to retailers worldwide.

The E3900 Series Flip Top Cash Cassette delivers uncompromising performance and quality focused on low cost of ownership, ease of use and speed through the checkout. It additionally combines a high capacity insert tray with extensive media storage (for extra notes) under the insert.

Depending on the particular model, the cassette can accommodate various configurations including 4/6 notes and 8 coins for the EURO with additional 2 notes underneath or even 11 notes or 16 notes to accommodate the vast majority of worldwide currencies.

Mounting

The Cassettes are connected to a baseplate (including legacy baseplates for easy adoption) that is firmly secured to the checkout counter top.

Speed + Efficiency

Routinely tested to ensure the lid opens consistently, beyond 80 degrees, providing full access to the drawer insert.

Quality

Quality is assured with the extensive use of computer aided design and automated flexible manufacturing, coupled with systematic testing and control of components and assembly.

Security

The E3900 provides switch status back to the POS application.
