WHY CHOOSE APG'S ECD RANGE? SIX GREAT PRODUCT BENEFITS

APG's Entry Level Cash Drawers offer customers a cost effective, economical solution. The ECD range is designed to meet the market requirements for small to medium businesses within retail and hospitality including those with tablet and mobile POS environments. Listed below are the biggest advantages of selecting the ECD range from APG Cash Drawer, for both you and your customers.

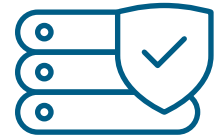

01 Gain peace of mind with an established and trusted brand within the cash management industry

02 Our ECD range with its highly functional design makes it a superior entry level product in the market

03 Backed by APG's extensive testing and warranty, the ECD range delivers superior performance within the economical product family

04 Includes a drawer status reporting to comply with fiscal laws by allowing the POS terminal and software to log when a drawer had been opened

05 Includes more connectivity and accessory options for mobility – Adaptor kit available from RJ11 to USB or Ethernet Interface and tablet mounts

06 Provides value for money: competitive pricing and great functionality
