

CUSTOM + BESPOKE SOLUTIONS

600MOD Flip Lid Cash Drawer

Unique 600 mm Wide Flip Lid Designed to Fit in Front of a Scanner

APG's Custom & Bespoke range delivers a cash drawer tailored to fit the exact needs of leading retailers worldwide. For over 40 years we have developed solutions to every type of cash handling problem encountered at the Point of Sale. From enhanced security options, to different insert configurations and specially adapted cash drawers to fit unique PoS designs, there is always a solution available to pick from to meet your requirements

The 600MOD flip lid cash drawer offers a very special footprint to fit within a limited checkout space in front of a scanner and weigh scale to maximize counter space.

Highly Durable Construction

Featuring a very robust steel construction for a prolonged operational life, therefore it is suitable for the busiest of retail environments.

Unique Design

The 600MOD flip Lid cash drawer, with a depth of 140 mm only, is specially designed to fit within a limited checkout space in front of a scanner and weigh scales.

High Capacity Insert

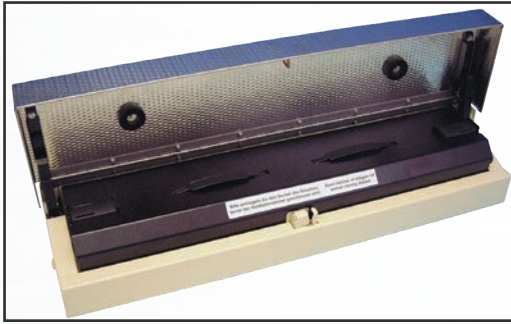

The removable insert can accommodate 8 coins and 3 notes in large capacity note compartments, which can be adapted to suit the individual retailers need.

Secure Solution

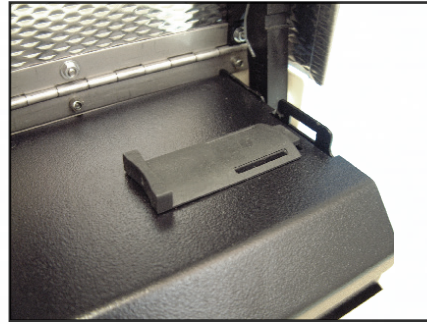

The integrated lockable lid ensures safe and easy transportation of the insert to the back office. Featuring a central latching mechanism with no lock enhances drawer security further.
