

## The Series 100 Cash Drawer

## A Compact, Efficiently Designed Cash Drawer

### A LEGEND™ Family Solution

Designed around a full size till, the narrow footprint of the Series 100 minimises the amount of counter space required. Ample storage in a deep under-till compartment holds coin rolls and packaged currency. An adjustable media slot divider separates and organizes different media types.

With features including steel ball bearing slides and a robust latch mechanism, the Series 100 is proven beyond four million cycles. A durable design and the resilient powder coat finish resists the abuse in even the toughest environments. Size, color, interface, accessory and configuration options complete the Series 100 solution and contribute to apg's reputation as the preferred choice amongst cash drawers.

#### Durability

Industrial-Grade Steel Ball Bearing Slides ensures effortless performance and durability.

#### Utility

Heavy Duty Latch Mechanism allows a perfect balance between ease of operation and robust construction.

#### Interface

The MultiPRO® Interface adapts to any printer driven drawer requirements.

#### Functional

Heavy Duty Till Equipped with strong dividers and comfort coated hold downs.
