

ECD350

Cash Drawer

An entry level, economical cash drawer

A SOMA™ Family Solution

apg's Soma™ Product Family Cash Drawers offer customers a cost effective, economical solution. The Soma Product Family is designed to meet the market requirements for small to medium businesses within retail and hospitality including those with tablet and mobile POS environments.

The ECD350 cash drawer features a small footprint designed to maximize counter space and is the ideal platform for compact EPoS terminals and mobile POS where space is at a premium.

Steel Construction

Featuring steel construction (5kg in weight) & steel ball bearing rollers for a prolonged operational life.

Compact Design

Ideal for use in situations where space is limited, the ECD350 cash drawer features a small footprint of just 350mm in width to maximize the counter space.

Practical Compartment

The Insert can accommodate 4 Layflat notes and 8 coins to offer easy access to speed up transactions

Easily Removeable Insert

The insert can be removed from the ECD350 cash drawer to make it easy to transport coins and notes to the back office.
