

# why apg?

## Our Reputation

Simply put, we're customer-centric and committed to delivering product and service excellence - at every point. It's the foundation for all we do. We've earned our reputation as a global market leader by developing new and exciting solutions to meet the needs of an ever-changing world of retail. We harness our unique expertise to strengthen retailers' success and earn the loyalty of our valued channel partners through reliable, secure, and innovative POS solutions.

### Product Portfolio

Over 8 million cash drawers sold in over 90 countries worldwide

### Local Inventory

Local warehouses shorten shipment lead times to assist with product demand spikes

### Quality

Cycle life of our products are continually tested to ensure they exceed all demanding business requirements

### Install It. Forget It.

apg offers reliable, competitively priced solutions with a high level of channel integrity, shipment accuracy and responsiveness

### Global Support

Locations providing resources to ensure a successful customer experience, with unmatched speed and accuracy

### Connectivity Options

Connect a cash drawer to your POS system... we have the wired or wireless solution for you

# Best-in-Class Solutions

## Right Product | Right Price | Better Value

Our products are more than a piece of hardware, they offer a peace of mind. We've categorized our cash drawers into families so you can easily decide which cash drawer is appropriate for your environment. Our innovative designs are manufactured to meet the requirements of a variety of transactional environments all the while offering a consistent out-of-box lifetime performance.
