

SL3000 CASH DRAWER

BESPOKE CASH DRAWER SOLUTIONS TO FIT ALL ENVIRONMENTS

Legend Family Solution

apg® bespoke range by Cash Bases, delivers a cash drawer tailored to fit the exact needs of leading retailers worldwide. For over 30 years we have developed solutions to every type of cash handling problem encountered at the Point of Sale. From enhanced security options, to different insert configurations and specially adapted cash drawers to fit unique PoS designs, there is always a solution available to pick from to meet your requirements.

The SL3000 has been designed to withstand the most hostile of retail environments thanks to its heavy duty design, delivering a prolonged operational life. The high capacity insert is suitable for use with the majority of European currencies, with additional storage beneath the insert. Chosen by leading retailers around the world, the SL3000 is the ideal solution for many retail verticals.

High Capacity

The removable insert can accommodate 8 coins and 4/5 notes. Extra deep coin cups allow for a substantial quantity of cash to be stored within the drawer.

Highly Durable

Featuring a very robust steel construction with steel ball bearing runners for a prolonged operational life, therefore it is suitable for the busiest of retail environments.

Functional

The removable ABS insert and optional lockable lid allows for easy and secure transportation of coins and notes to the back office.

Security Lock Functions

Two media posting slots, posting underneath the insert, provide an extra storage area for high value notes and other types of media, increasing the adaptability of the drawer.
