

ECD410 Cash Drawer

A Robust, Practical Cash Drawer

Light Duty Solutions

apg's Entry Level Cash Drawers, ECD, are a range of cost effective, highly functional cash drawers that offer excellent value for money. Carefully selected from a number of quality industry acclaimed manufacturers, the ECD range is perfectly suited to a variety of sectors, including hospitality and general retail, where a good performing cash drawer is appreciated but a heavy-duty lifetime is not expected.

The ECD410 model was designed by apg to be a hard wearing cash drawer with a high volume insert accepting the majority of European currencies, therefore it is the preferred choice of leading retailers worldwide. Its unique design makes it stand out visually against other Entry Level cash drawers and also ensures it out performs them as well.

Durable

Featuring steel construction (at 7kg in weight) and steel ball bearing rollers for a prolonged operational life.

Multiple Storage

The drawer provides further storage with dual posting slots under the insert for additional media items.

High Capacity

The removable insert can accommodate 4 notes (optional 5) and 8 coin compartments. The adjustable note and coin dividers maximize the insert capacity.

Versatile

The optional lockable lid provides safe and secure transport to the back office and features an indicator switch to show whether the insert is locked or open.

4 notes compartment

Optional 5 notes compartment
