

Atlas[™]

Cash Drawer

An Economical Solution for Light Cash Use Environments

▶ 410

BEST IN CLASS

Economical Solution

The Atlas[™] Cash Drawer delivers uncompromising performance and value for light cash use environments and provides efficiency throughout the checkout process.

Purpose built with steel construction and smooth roller wheels, the Atlas Cash Drawer is a reliable solution at an economical price point. The Atlas is designed to handle half a million transactions.

The Atlas is available in two models, the 335 (13") and the 410 (16"), it features single (335) or dual (410) beveled media slots, a three-function lock, and a high-capacity 4 bill x 4 coin (335) or 5 bill x 5 coin (410) till. The system interface connection is a hardwired cable.

Media Storage

Single (335) or dual (410) beveled media slots enable the storing of large bill denominations, receipts, or checks securely under the till.

Functional

Built with steel construction and roller wheels, the Atlas has a life expectancy tested beyond 500,000 operational cycles.

Lock Security

The Atlas provides peace of mind with a drawer open status switch for reporting drawer status back to the POS application.

High Capacity

US currency till configuration for 5 bill x 5 coin (410) or 4 bill x 4 coin (335).
