

STD2000

Cash Drawer

A Robust, High Volume Cash Drawer

Heavy Duty Solution

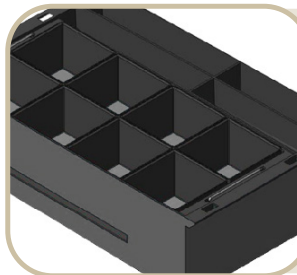

The STD2000, which accepts the majority of European currencies, is a tough & dependable cash drawer designed to offer generous storage and a stable, strong EPoS platform for a prolonged lifetime.

20466 insert

Lockable lid for insert

High Capacity

The removable insert can accommodate 8 coins and 4 notes. Extra deep coin cups and note compartments with additional storage underneath the coin compartments.

Multiple Storage

The drawer also provides further storage behind the insert, with an area that can be adapted to hold a variety of media or high value items.

Robust Construction

With a robust steel construction and steel ball bearing runners, the STD2000 is a hard wearing cash drawer suitable for a wide range of retail environments.

Functional

The removable coin cups sit in a lift-out tray to make it easy to transport the coins to the back office.
