

ECD410B Cash Drawer

An Economical Solution for Small Businesses

Light-Duty Solution

The ECD410B cash drawer delivers uncompromising performance and quality, providing a low cost of ownership for light cash use environments. Purpose-built for the entry-level market, the ECD410B cash drawer is easy to use enabling efficiency throughout the checkout process.

Light-Duty product line is designed for a market segment that has a relatively low number of cash transactions. As a member of the Soma family product line, the ECD410B cash drawer is a reliable solution with its smooth ball-bearing roller wheels, ensuring 500,000 plus transactions.

The insert of the 410 (16 inch drawer) can accommodate 8 coin and 4 note and is set up for EMEA currency.

High Capacity

EMEA currency configuration options include a 8 Coin, 4 Note insert for the (410) 16".

Media Storage

Two beveled media slots on the drawer front enable the storing of large bill denominations, receipts securely under the insert.

Functional

Built with steel construction and roller wheels, the cash drawer has a life expectancy tested beyond 500,000 operational cycles.

Security

The cash drawer provides peace of mind with a drawer open status switch for reporting drawer status back to the POS application.
