

ECD410 Cash Drawer

An Economical Cash Drawer Solution

Soma™ Product Family Solution

APG's Soma™ product family cash drawers offer customers a cost effective, economical solution. The Soma™ Product Family is designed to meet the market requirements for small to medium businesses within retail and hospitality including those with tablet and mobile POS environments. The ECD410 model offers great note and coin storage accepting the majority of the European currencies.

Steel Construction

Featuring a steel construction (at 7 kg in weight) & steel ball bearing rollers for a prolonged operational life.

High Capacity Insert

The removable insert can accommodate 4 or 5 note and 8 coins. The adjustable note and coin dividers maximise the insert capacity while the 8 coin compartment section is also removable.

Multiple Storage

The drawer provides further storage with dual posting slots under the insert for additional media items.

Enhanced Security

The optional lockable lid provides safe and secure transport to the back office and features an indicator switch to show whether the insert is locked or open.

Insert (4 note & 8 coin)

Lockable lid for insert (optional)

Lockable lid fits inside the cash drawer when closed
